

All overnight campers at Camp El Tesoro must be able to perform the following essential functions:

Physical

- Sit up for one hour without distracting others during events and meals
- Able to move independently from place to place at camp, at a minimum of one half mile at a time
- Able to carry personal belongings over uneven terrain in all weather conditions
- Does not have a medical condition or impairment that requires specialized medical treatment (i.e. intravenous infusions, breathing apparatus, awake overnight monitoring)
- Able to be in sun and/or heat for up to four hours at a time
- Tolerate changes in diet, group living, long days and a new routine

Social/Behavioral

- Desire to be at camp and outdoors
- Does not physically, verbally or sexually abuse self or others
- Verbally able to effectively communicate needs to others
- Able to meet his/her personal needs (i.e. toileting, personal hygiene, feed oneself)
- Self-manage language use, frustrations, impulses, anger and emotional outbursts
- Exhibit appropriate group behavior that does not disrupt the flow of facilitation and learning
- Ability to be away from home for multiple days at a time
